Report of the Secretary-General

Addendum

As indicated in the report of the Secretary-General of 6 June 1974 (S/11302/Add.2), the map showing the different phases of disengagement, to which the disengagement plan is attached, was signed by the military representatives of Israel and Syria at the meeting of the Military Working Group of the Geneva Peace Conference under the aegis of the United Nations on 5 June 1974. The parties have now agreed to the publication of that map, a reproduction of which is attached. The text of the disengagement plan is as follows:
